Dear Families and Friends in Christ!

I am sitting in my home 'office' glancing out the window at a beautiful view of the Osage River, with fog still meshing into the trees on the far shore. It strikes me that, too often, we simply do not take the time to adore and relish the everyday miracles of Our Creator. In lieu of writing an involved article this week, I am urging you to spend time each day, even three minutes, in Adoration of God. Fr Oscar Lukefahr writes, "God's accomplishments go far beyond any human achievement. So it's not surprising that when we enter God's presence, our first reaction is adoration. (1)

*"When I look at your heavens, the work of your fingers, the moon and the stars that you have established; what are humans beings that you are mindful of them, what mortals that you care for them? (Psalm 8:3-4.)*

*"God's greatness is not something to be carefully guarded and kept from others. It is so expansive that is shared with us. Psalm 8 continues: Yet you have made them a little lower than God, and crowned them with glory and honor. You have given them dominion over the works of your hands; you have put all things under their feet (Psalm 8:5-6)"*

As you move through this week, I pray for calmness to envelope you and everyone with whom you come into contact. You deserve to hear kind words, and to speak kind words. You deserve to receive kind actions, and to extend kind actions. The world continues to rotate and encircle our very existence until God calls us home. Until then, be still, adore Him and know that you are loved without limits. Go look out the window and see the Beauty of God.

Many Prayers For Peace!

Vicki
